This wonderful evening of entertainment supports local charity Alexander Devine Children's Hospice Service. Join us to raise vital funds to support local children with life limiting and life threatening conditions. See some of the best local talent, they'll be something for everyone, Magic, Music & Comedy! Host Paul Freeman will provide the laughter, Young Magician of the Year Dean Leavy will captivate everyone and Kiera Ash will bring sophistication and Pop goes the Choir will have you out of your seats representing the voices of our community. The Garfunkel's will provide memories and Madorbad will explore a new sound and new music. We hope you can join us.
