VitalityMove

We have created VitalityMove – a big day out with music and running at its heart. We will have 1 mile fun-runs, as well as 5k and 10k distances – all themed to music designed by DJ Trevor Nelson.

With 2 events in 2017, our venues are stunning, Chatsworth House, and Windsor Great Park. Whether you are a first time runner, a seasoned athlete, 6 or 60 years old, we will cater for you – and hopefully make it a day to remember.
