Your gift in Wills guide.

The power to change a child's life.

Alexander

Make Alexander's legacy your own, by leaving a gift in your Will.

My son Alexander is the extraordinary and brave boy who inspired our children's hospice service. He was just four years old when he was diagnosed with a brain tumour and there is simply nothing in this world that can prepare you for such devastating news. He endured four and a half years of treatments and sadly, aged eight, he died.

Through our experience we understood that specialist care and support is simply invaluable to families like ours and it was clear that Berkshire needed its own children's hospice service. Inspired by my son, we began the realisation of Alexander Devine Children's Hospice Service.

I know from my experience that you cannot go into a children's hospice and not be filled with love, laughter and tears and this is the beautiful legacy Alexander has left. His legacy has changed the lives of so many people and today, our charity supports more than 130 children and their families, across Berkshire and the surrounding counties.

You can be part of Alexander's amazing legacy by leaving a gift in your Will. Together we can continue to provide lifeline care to children and families, for generations to come.

I hope that through this guide you will have everything you need to secure your family's future, benefit from our Free Will's service and understand the incredible power you have to change a child's life.

Thank you for considering this extraordinary way of giving.

**Even a small
gift has the
power to
create a**

BIG

smile for a child in our care.

The power to make a difference.

Your Will is one of the most important documents you will write. It's the only way to be sure your family will be looked after in the way you intend. But not only could your Will help secure your family's future, it could also help ensure the future of Alexander's legacy.

More and more people are including a gift to charity in their Will, also known as a 'legacy', to support the causes that matter to them and we are grateful that you too, are considering this extraordinary way of giving.

Every gift can make a positive difference to the lives of the children and families we support. Big or small, it is what these gifts achieve together, that makes them so incredible.

And with the need for our children's hospice service growing, you really do have the power to make a lasting difference, as we strive to reach more who need our support.

130+ children

and their families are currently supported through our service.

But we know there are so many more who are in need of our vital care and support.

Research shows there are over 1,370 children with life-limiting and life-threatening conditions in Berkshire alone. And this number is likely to rise by at least another 11% by 2030.

£1.6 million

is the cost of running our lifeline children's hospice service each year.

We rely nearly entirely on fundraising and voluntary donations to fund our vital work.

So, very simply, without amazing people like you, Alexander's legacy would not exist.

How to write your Will.

Your Will is the most important document you will ever write and as an Alexander Devine supporter we're here to support you, every step of the way.

Think about your assets.

List the assets you own, their worth and whether you share their ownership with someone. You should think about any debts you might have too.

1

Consider who you want to pass your estate on to and what value each individual should inherit. You should also consider any dependants and who would be responsible for them should you pass away.

Appoint your Executors.

Your Executors are the people named in your Will who will ensure your wishes are honoured after you die. They can be anyone you trust, or even organisations, and you can have more than one executor if you prefer.

2

If you choose a loved one to be your Executor, it's a good idea to discuss this before appointing them to make sure they're happy.

Leaving a gift in your Will.

Whilst there is no obligation, after taking care of your loved ones, we'd be grateful if you would consider leaving a gift to Alexander's legacy.

3

There are two types of gift you might choose to leave:

Residuary gift: A percentage share of your estate. This type of gift is particularly powerful as it holds its value even as the cost of living rises.

Pecuniary gift: A fixed sum of money. Inflation means this gift will lose value over time, but we'd still be very grateful for any sum you leave.

Creating your legal document.

It's vital that your Will is drawn up and witnessed in the right way to ensure your intentions are honoured after death. But this doesn't need to be a difficult or expensive process for you and your family.

4

Although we are not legal experts, and therefore cannot offer any legal advice on your estate, we are here to support you every step of the way.

Frequently Asked Questions.

Can I leave my gift in memory of a loved one?

Many people choose to leave a gift in memory of a loved one. If you'd like to remember someone special please get in touch and let us know.

Are there tax benefits of leaving a charitable gift in my Will?

Most gifts left to us are exempt from Inheritance Tax and you could reduce the amount of tax paid by your beneficiaries by leaving us a gift. Find out more: www.gov.uk/inheritance-tax.

Can I specify where I want my money to go?

We'd recommend leaving a gift without restricting it's usage. Because your donation will be spent in the future, we won't currently know where it could have the greatest impact.

I've already got a Will, can I still leave a gift to support Alexander's legacy?

Yes, simply fill out a Codicil form. You'll need our address and charity number to leave a gift to us: Alexander Devine Children's Hospice, Snowball Hill, Maidenhead, SL6 3LU. Registered Charity No. 1118947. Speak to your solicitor or Will provider who can advise you further.

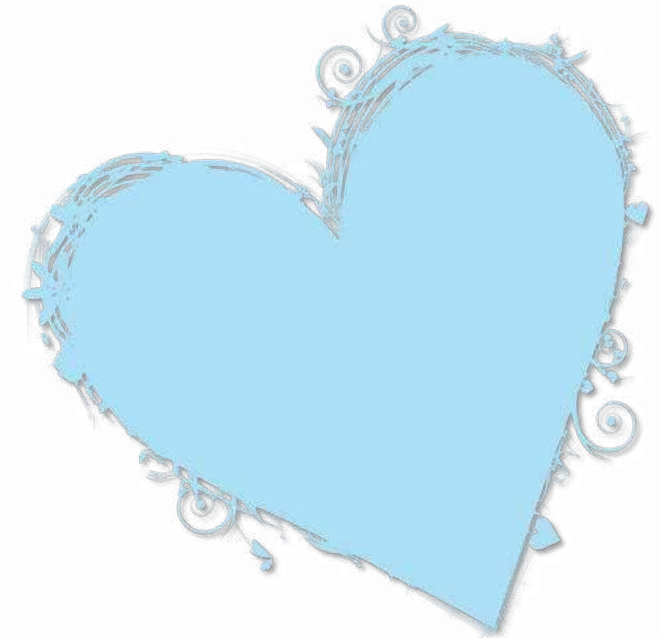

I've left a gift to Alexander Devine, what do I do now?

If you've already remembered our charity in your Will, please do get in touch and tell us. Knowing of gifts can help us plan for the future and we'd also love the chance to thank you!
