WHO WE ARE

Alexander Devine Children's Hospice Service is a charity that provides specialist care and support to children with life-limiting and life-threatening conditions, and their families, across Berkshire and into surrounding counties.

VISION & AIMS

Our vision is to provide a service within Berkshire and surrounding counties that will give children and families a choice of care and support from a skilled and dedicated team.

OUR MISSION

Reaching out to every child and family who needs us

The specialist care and support we provide is free of charge for families. But it costs over

£2.8 million+ each year

just to maintain our current level of care.

With very minimal government and NHS funding, 83% of what our charity needs to meet the cost of running our service comes from donations, fundraising and gifts in Wills.

This means for every one hour of specialist care and support that we provide to each child and their family, only 10 minutes is funded by statutory sources.

ONLY
 10 mins
each hour is funded

The support we receive from companies and small businesses enables us to provide specialist care and vital support to children and families who need us

Make a **powerful and positive impact**, no matter your business size, with sales fundraising

It's flexible and open to any registered company, no matter your size or profits, and has some fantastic benefits for your business.

We are delighted to support our local Children's Hospice Service, Alexander Devine, by linking the number of enquiries we receive over the year directly to a charitable donation to the hospice. This means we can raise money for a great cause and it keeps us focused on work at the same time!

It's an easy way to drive positive impact and unite our business with a charity whose services and values we believe in.

Making a life-changing difference

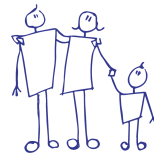

Here are just some of the ways your sales fundraising can make a massive and life-changing difference to the lives of children and families we support across Berkshire and into surrounding counties.

Pay for a whole week of care

Whether at our children's hospice in Maidenhead or out in the community in a family's home, hospital or school, we offer families a range of care and support services including: Respite Care, Specialist Play, Symptom Management, Family Support, End of Life Care and Bereavement Support. By raising a fantastic **£50,000**, you could help cover the cost of all of our specialist care and support for a whole week. What an incredible gift to give!

Fund an Alexander's Carer for a year

Our carers provide holistic care and support to children and their families. They are vital in helping our Alexander's Nurses at the hospice and out in the community and enable children and their families to have fun, play and make special memories together. If you were to raise a amazing **£25,000**, you could help us fund one Alexander's Carer for a full year.

£25k

Fund two weekends of overnight respite

Supporting a child with a life-limiting or life-threatening condition requires 24/7 round the clock care. The responsibilities for parents are exhausting. If you raised a fabulous **£10,000** you could cover the cost of two long weekends of overnight respite for a child, enabling them to have fun and receive specialist treatment, whilst their care-givers can take a much needed break and relax knowing their child is in trusted and caring hands.

£10k

Pay for Play!

Specialist play helps siblings cope with their feelings, process what is happening in their lives and gives them a chance to enjoy activities with others. Our specialist Sibling Days provide vital opportunities for siblings to receive peer to peer support whilst simply just being children and having FUN! By raising a wonderful **£5,000** you could help fund 5 of these sessions for a group of siblings at our children's hospice in Maidenhead.
