GUIDE

Making every precious moment count

We are a charity that provides specialist care and vital support to children with life-limiting and life-threatening conditions, and their families, across Berkshire and into surrounding counties.

Our holistic approach is tailored for every child and family in order to provide the best possible care and support that they need, as well as helping them create memories, for however long they have together.

Whether it is at our children's hospice in Maidenhead or out in the community in a family home, hospitals or schools, we can offer: Respite Care, Specialist Play, Symptom Management, Family Support, End of Life Care and Bereavement Support.

Alexander Devine

The charity was founded by John and Fiona Devine in memory of their son Alexander, who sadly passed away from a rare brain tumour in 2006 at the age of eight. Their personal experience and extensive research led them to realise the desperate need for a local children's hospice facility in Berkshire.

WE NEED YOUR HELP

The specialist care and support is free of charge for families. But it costs

over £3million each year

just to maintain our current level of care.

With very minimal government and NHS funding, 83% of what our charity needs to meet the cost of running our service comes from donations, fundraising and gifts in Wills.

This means for every one hour of specialist care and support that we provide to each child and their family, only 10 minutes is funded by statutory sources.

ONLY
10 
minutes each
hour is funded

None of what we do would
be possible without the
generosity of people like

OTHER WAYS TO GET INVOLVED

Volunteer with us

With a diverse range of skills, interests and hobbies, each and every day our wonderful force of volunteers help to make a huge difference to local children and their families.

We have volunteers supporting our care team, tending to our hospice grounds and also providing office administration. Throughout Berkshire and the surrounding counties we have volunteers fundraising and organising events for us.

We are always looking for new volunteers. Whatever your experience and however much time you have to give, we would love to hear from you!

TOY COLLECTIONS

Do you have any pre-loved toys, teddies, books or games you can donate to help raise money for your local children's hospice service? We are always looking for items in nearly-new condition, with all working parts and in original boxes.

Why not set up a collection campaign in your school to give as many toys as possible a new home?

Please drop off your donations to
