THE DIFFERENCE YOU CAN MAKE

Schools like yours make a huge difference to local children with life-limiting and life-threatening conditions, and their families. By choosing to **fundraise** for Alexander Devine, schools like you can help change their lives.

200+ children

with complex healthcare needs and their families are currently supported through our specialist service. But we know there are so many more who are in need of our vital care and support.

Research shows there are over 1,370 children with life-limiting and life-threatening conditions in Berkshire alone. And this number is likely to rise by at least another 11% by 2030.

over £3million

is the cost of running our lifeline children's hospice service each year.

We rely nearly entirely on fundraising, donations and gifts in Wills to fund our vital work. So, very simply, without amazing people like you, our children's hospice would not exist.

Spending time in Alexander Devine's sensory room always seems to bring out Frankè's playful side and it is lovely to see his beautiful smile. I am always so touched by all the little details that go into his visits to the hospice or when the team visits us at home. Alexander Devine has opened up both of our worlds. I know that I can leave Frankè with them and have peace of mind and utter trust that the wonderful and amazing team will love and look after my boy.

Instructions

1. Preheat the oven to 180°C/fan 160°C/350°F/gas mark 4. Line a 12-hole muffin tin with paper cupcake or muffin cases.
2. Put all the cake ingredients into a large bowl and beat with an electric hand whisk or a wooden spoon until smooth and evenly mixed. Divide the mixture evenly between the paper cases.
3. Bake for 20-25 minutes, or until the cakes are well risen and firm on top. Transfer to a wire rack to cool.
4. Make the icing: put the butter, vanilla extract, 2 tablespoons of the milk, and half the icing sugar in a large bowl and beat until smooth. Beat in the remaining icing sugar, and pour in the rest of the milk if needed to make the icing the right consistency.
5. Put half of the icing into another bowl and colour it BLUE with the edible colouring. Carefully spoon this down one side of a piping bag fitted with a No. 8 star nozzle, then spoon the non-coloured icing down the other side of the bag. Twist the end of the bag to seal the icing in.
6. Pipe swirls of the icing on top of each cupcake. Scatter with your choice of topping to decorate!

DIY BLUE DREAM CATCHER

These paper plate dreamcatchers are so pretty, and they're incredibly simple to make! Keep bad dreams away as you make this blue version of a dreamcatcher.

Instructions

1. Carefully cut out the centre of a paper plate. Using one hole punch, punch eight evenly spaced holes around the inside of the plate. Then punch three at the bottom and two at the top of your plate.
2. Decorate the plate however you'd like - draw patterns or shapes and don't forget to include some blue! Use glue or tape to attach decorations to your plate.
3. Cut a 140cm length of yarn and tie to one of the inner holes. Thread the yarn through the eight inner holes in any way you like, you can even add beads if you wish. Add a smaller piece of yarn between the top two holes and tie together.
4. Cut 3 pieces of yarn and tie feathers to the end of each. Decorate with beads, and tie to the bottom three holes. Add your finishing touches and your dreamcatcher is complete!

KINDNESS ROCKS

Spread some blue positivity in your school and paint some kindness rocks to put a smile on someone's face!

Instructions

1. Find a rock or pebble and make sure it is nice and clean. Give it a wash in soapy water if needed and dry it with a towel.
2. Get some paint and brushes, or some paint pens, and start drawing! You can put whatever you like on your rock, making sure it will help make someone's day. You could put nice words, a picture of something fun or whatever you wish.
3. Once you have finished decorating, leave your rock to dry completely in a warm, dry place.
4. Display your kindness rocks around your school for people to find, or perhaps you could organise a fundraising sale to sell them to your grown-ups!
