Together, we can help to create precious smiles for local children with life-limiting and life-threatening conditions, and their families.

Your team can help us create a Spring of Smiles at Alexander Devine

Our vision is to provide a children's hospice service within Berkshire and surrounding counties that will give children with life-limiting and life-threatening conditions and their families a choice of care and support from a skilled and dedicated team.

200+

children and families currently supported by Alexander Devine.

1,370+

children in Berkshire alone with life-limiting conditions and research shows that this number is likely to increase by a further **11% by 2030**.

Here at Alexander Devine Children's Hospice Service, we want to help create more beautiful smiles like Neve's.

"Neve's condition has affected our family in every possible way. We have to continually assess her safety wherever we are. Knowing that she is so well cared for when she is at Alexander Devine is priceless"

- Gemma, Neve's Mum

Without the support of our amazing corporate supporters we would not be able to provide our vital children's hospice services.

With your support we help our families experience fun filled moments together in a safe environment with our care team.

Whether you take part in one of our events, organise team Spring fundraising or come up with your own Easter activities we can support you.

Arrange a meeting with your dedicated fundraiser to find out more about how you can get involved and for further fundraising, events and volunteering for your team this Spring.

We can't wait to hear what you will be up to!

Spring Fundraising Ideas

Spring your team into action, with these exciting fundraising ideas to support your local children's hospice service.

Your business can lead the way in helping us bring smiles to the faces of the children we care for and their families this Spring.

Office Easter Egg Hunt!

Organise an office-wide Easter egg hunt. Participants can donate to join the hunt, and compete to find the most and win!

Spring Bake Off!

Host an Easter-themed bake sale with treats like bunny-shaped cookies, Easter egg cupcakes, and other festive goodies. Employees can contribute baked goods, and the proceeds can be donated to Alexander Devine.

Easter Basket Raffle!

Create Easter baskets filled with goodies, chocolates, and small gifts. Sell raffle tickets to employees for a chance to win these baskets.

Easter Jar Guessing Game

How many eggs are hidden in the giant jar at reception? For a donation employees guess the number of eggs and the closest wins the jar!

Spring Picnic!

Organise a Spring picnic for employees and their families. Host fundraising party games and donate items for an easter egg hunt!

Egg and Spoon Race Tournament!

Host an egg and spoon race tournament in a nearby park or open area. Teams pay a donation to enter and put forward their best runner and the winners can receive office bragging rights or small prizes.

Spring Wishlist

Every Spring we are touched by the amount of Easter eggs and gifts donated to the hospice for the families we support.

Our care team have put together much needed items on our **Amazon hospice wishlist** where items can be sent directly to the hospice with a note from your team.

This list is curated with the children we support in mind so there is something for everyone. This including treats, toys and items for families who might not participate in easter celebrations too.

This way we can bring a smile to every child's face this spring!

Why not hold an easter egg or gift drive in your office this spring? So that your team can help us create a spring of smiles for children with life-limiting and life-threatening conditions.

We are always so grateful for the items we receive and are touched by how quickly our Wishlist is fulfilled. So this year we are asking our supporters to also consider fundraising.

Spring Volunteering

Does your team have volunteering hours they can use to support our Spring activities and events?

From filling chicks with chocolate eggs, to helping with our chick hospitals, we need your support to make this the biggest Chick Knit yet!

Contact your dedicated fundraiser to organise your spring volunteering and find out more.
