OFFICE WALK**

THE HOSPICE TO OFFICE WALK

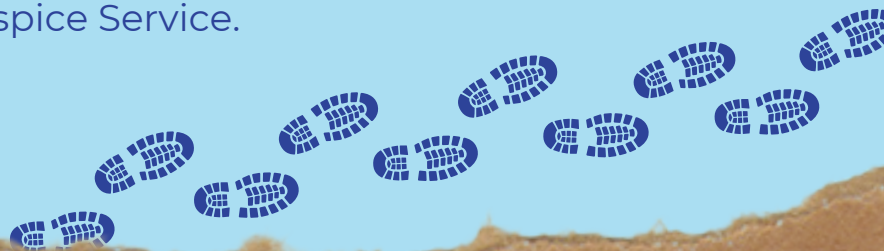

Bring your colleagues together and take strides to help support your local children's hospice service.

A fantastic team building experience, coupled with a fundraising challenge, our Hospice to Office Walks are a great way to engage your colleagues, support their wellbeing and most importantly have fun!

With our expert support, we can help you to build a bespoke route, to include your choice of locations and/or our children's hospice in Maidenhead. Entirely personalised to your own difficulty level and distance, we can make sure your challenge is accessible to everyone who wants to take part.

From start and finish line celebrations, t-shirts, water stations and on call support, we'll be here to help you every **STEP** of the way.

As well as meeting the needs of your wellbeing, teambuilding and CSR objectives, a Hospice to Office Walk is a fantastic way to raise vital funds for Alexander Devine Children's Hospice Service.

HOW TO GET STARTED...

1

Choose your location and distance

Whether you are looking to have breakfast at our hospice and finish at your office, stop at the hospice for a spot of lunch, or perhaps want to use the hospice as a base for a circular route, we can accommodate all locations and distances to suit your needs.

2

Plan your bespoke route

With great knowledge of the local area, we can help you plan a safe, unique route that caters for all skill levels and also show you how to navigate easily using the Footpath app.

3

Recruit your walkers!

With everything set, it's time to get your walkers on board. Ask your colleagues and clients to join the challenge as a fantastic relationship building and wellbeing activity. Getting your senior management team on board is always a bonus in helping to secure more participants.

4

Raise sponsorship and share your Hospice to Office Walk

Set up your fundraising page and encourage your walkers to share the challenge and raise awareness through their connections. You could set a fundraising target per person or a team goal to help encourage donations.

5

Enjoy your challenge!

We'll be there to support you every step of the way on your challenge day. With support hosting your start and finish line celebrations, co-ordinating your catering and optional water stations, just let us know what you need and we'll make it happen!

WHAT OUR COMPANIES SAY

“

Collaborating with Alexander Devine Children's Hospice Service is one of the best parts of my job, and I'm delighted to have run (not literally) our 13Km walk! The work done by Alexander Devine is truly incredible, and we're looking forward to the collaborations yet to come.

Aoife Healy, Customer & Community Liaison
at JJ Rhatigan

“

It was our 2nd year doing this event and great to see new faces doing the 13 mile walk. Such a great cause to raise money for! After a tour of the building and meeting the amazing staff before setting off, it was great to see how our donations help the children at Alexander Devine.

Amy Garcia, Office Manager
at Daniel Owen
